

# NRA LAW ENFORCEMENT COMPETITIONS

## VIRGINIA DEPARTMENT OF CRIMINAL JUSTICE SERVICES 2007 PRIVATE SECURITY FIREARM COMPETITION

The NRA Law Enforcement Activities Division is proud to host the Firearm Competition at the DCJS Private Security Services 2007 Annual Conference. This competition is designed as a test of a competitor's expertise in the use of firearms and equipment used in private security, and promotes the testing of skill of the individual, rather than the equipment or gamemanship. The competitors will face hypothetical security-related encounters and solve the challenge presented according to their own tactics within the limits of the course design. NRA Law Enforcement Instructor Development Schools "Bring the Street to the Range," and our matches are designed with a similar philosophy.

**WHEN:** Tuesday, October 9th, 1:00 - 5:00pm

**WHERE:** Virginia Beach Outdoor Shooting Range, 6025 Marvin Rd.

**HANDGUNS:** A semi-automatic pistol (min. 9mm) or revolver (min. .38). No handgun may have a compensator or ported barrel. The handgun may only be fitted with traditional post and notch and iron sights. (Colored inserts, dot style night sights, etc. are acceptable) Revolvers may not have a barrel longer than 6". Semi-auto pistols may not have a barrel longer than 5.5".

**GEAR:** Only duty suitable accessories will be permitted in one of the two following formats for carrying handguns and enough spare handgun ammunition for two complete reloads. Each competitor must choose one of the formats for the duration of the match.

1. **UNIFORMED CARRY:** A "Sam Brown" style duty belt attached to an inner trouser belt with a holster fitted with an obvious retention device, magazine/speed loader pouches matched to the duty belt.
2. **CONCEALED CARRY:** A fitted holster on a trouser belt, which secures the handgun with either a thumb strap or integral retention device. The belt must pass through the competitor's standard belt loops. The magazine/speed loader pouches must attach to the belt and be designed in keeping with the concealed carry format. No fanny packs, shoulder or cross draw holsters will be allowed. Both the holster and pouch must be worn on the belt in close proximity to the "hip bone." The holstered pistol and magazine/speed loader pouches must be concealed under a sport coat/jacket.

**AMMUNITION:** 70 rounds of handgun ammunition
